

Citizenship in the Nation Merit Badge

Troop 57, September 2013

Merit Badge Counselor: Mr. Truckenbrod

This is an Eagle Required Merit Badge that we are going to open up to any scout who wishes to earn the badge. If you attend the September Campout, you will complete all the necessary requirements that require travel to a specific state or federal landmark/building as noted in requirement #2.

The work must be completed on your own. In order to prepare, you must do the following:

- 1) Obtain a Blue Card and have the Scout Master or Asst Scoutmaster sign it.
- 2) Obtain a copy of the Merit Badge book. You may purchase your own or borrow one from the library. Please consider donating your purchased merit badge book to the troop library when you have completed the merit badge.
- 3) Read through the requirements and begin your research, writing answers to the questions, writing one of your Senators or Local Representative, and your plans to watch the national news.
- 4) If you ready to present any of the requirements to me, you must schedule a meeting ahead of time. I can't take last minutes requests at meetings.

Good Luck,  
Mr. Truckenbrod
